

PRIME AUTOMATION

AUTHORIZED DISTRIBUTOR PARTNER

Company Profile

Prime Automation Engineering, home of innovation, harvest of technological excellence. We think automation, feel automation and do automation. Our ultimate goal is to be one of the leading technological companies in future smart Bangladesh. In an eternal journey to tech thirsty road way, we always think how to make people's life easier and comfortable. Sensor based automation might be the fruitful solution of preventing electricity waste, high physical effort and preventing people's money draining. We have authorization of world-renowned companies like Nice from Italy, Holux from Germany, Ossden from China, Dorma another one from Germany, Somfy from France, SKB from Malaysia and many more. We actually import happiness to Bangladesh instead of products. Smiling faces of clients is our main target, main goal and main work boost. While clients speak about Prime Automation Engineering, they glow with satisfaction only which makes us feel best. We believe strongly in a line - " Be Automated, Be Relaxed."

PRODUCT RANGE

1. Automatic Door System

08. Automatic Movable Wall

2. Automatic Gate

09. Automatic Hydraulic System

3. Automatic Shutter

10. Archway Gate

4. Automatic Parking Barrier & Management System

11. Automatic Gate Motor

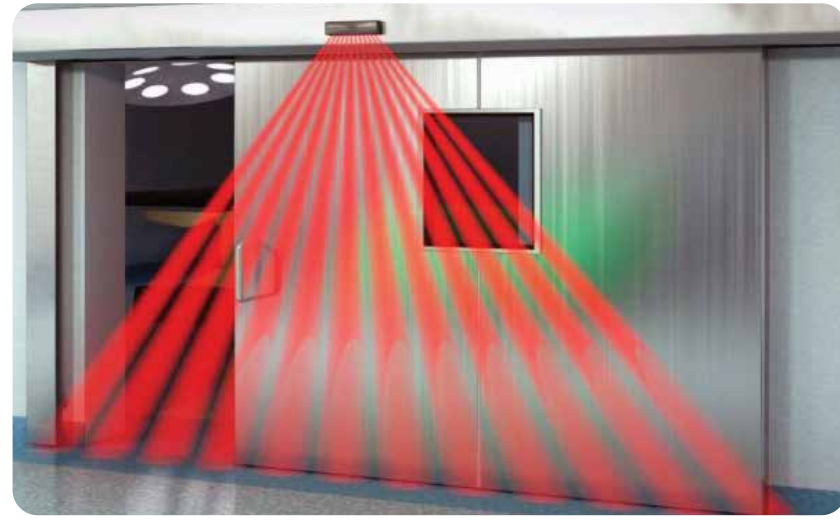

5. Turnstile And Barrier System

12. Automatic Shutter Motor

06. Access Control & Time Attendance

13. Smart Home Automation

07. Automatic Curtain

Automatic Sliding Sensor Door

AUTOMATIC DOOR SYSTEM

Swing Door Opener

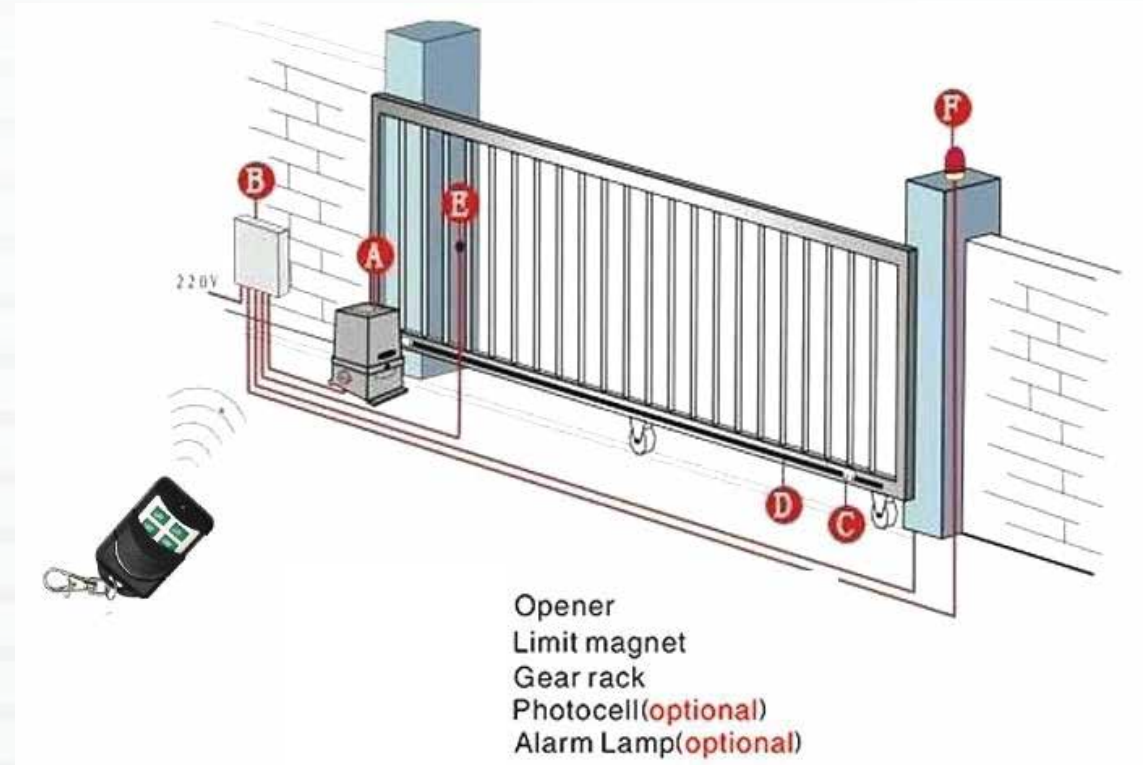

Sliding Door Opener

Automatic Swing Door

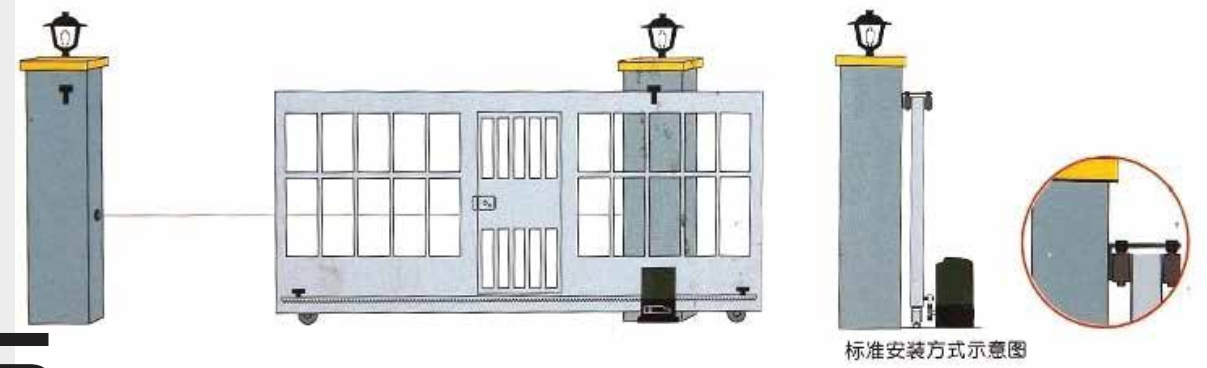

Automatic Revolving Door

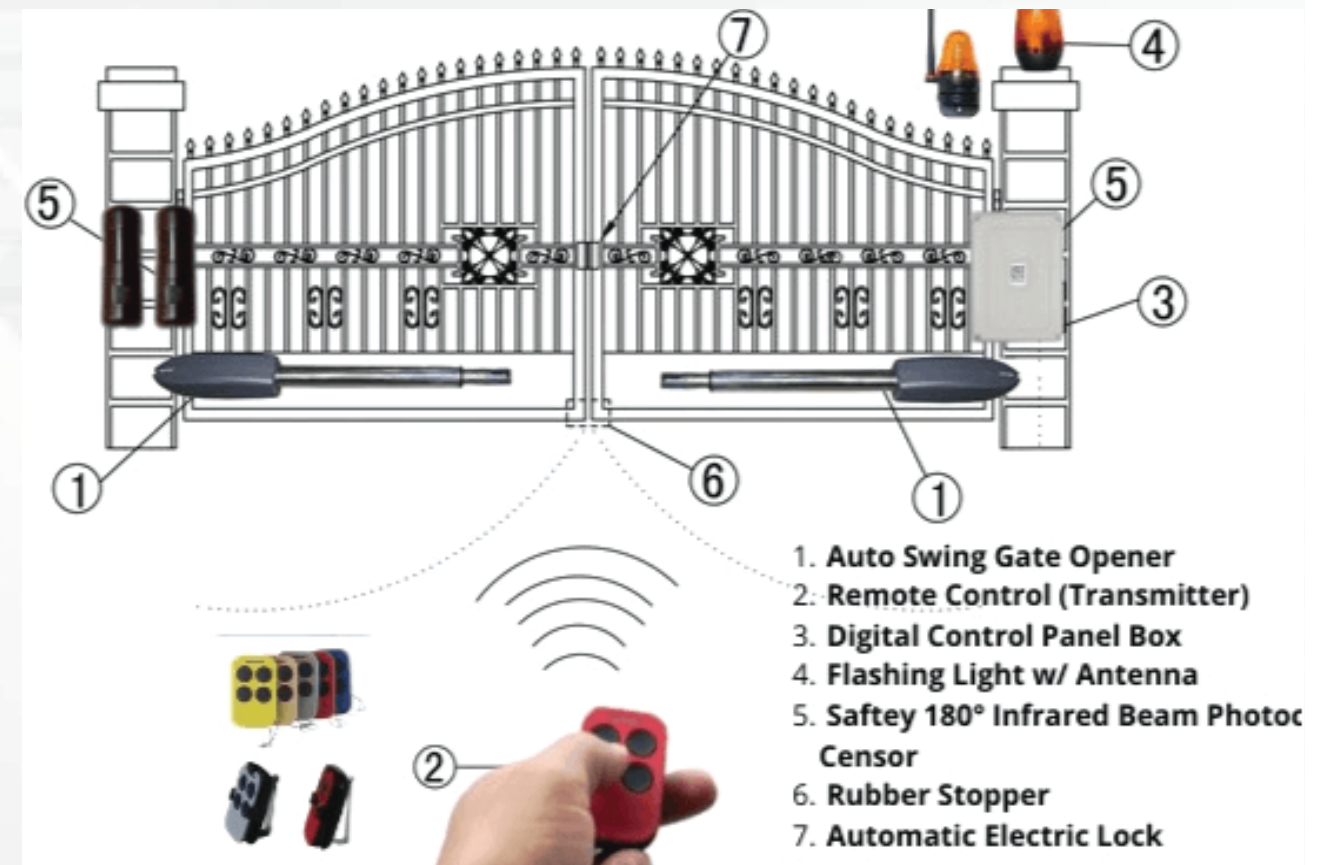

AUTOMATIC SLIDING / SWING GATE SYSTEMS

SWING GATE OPENER

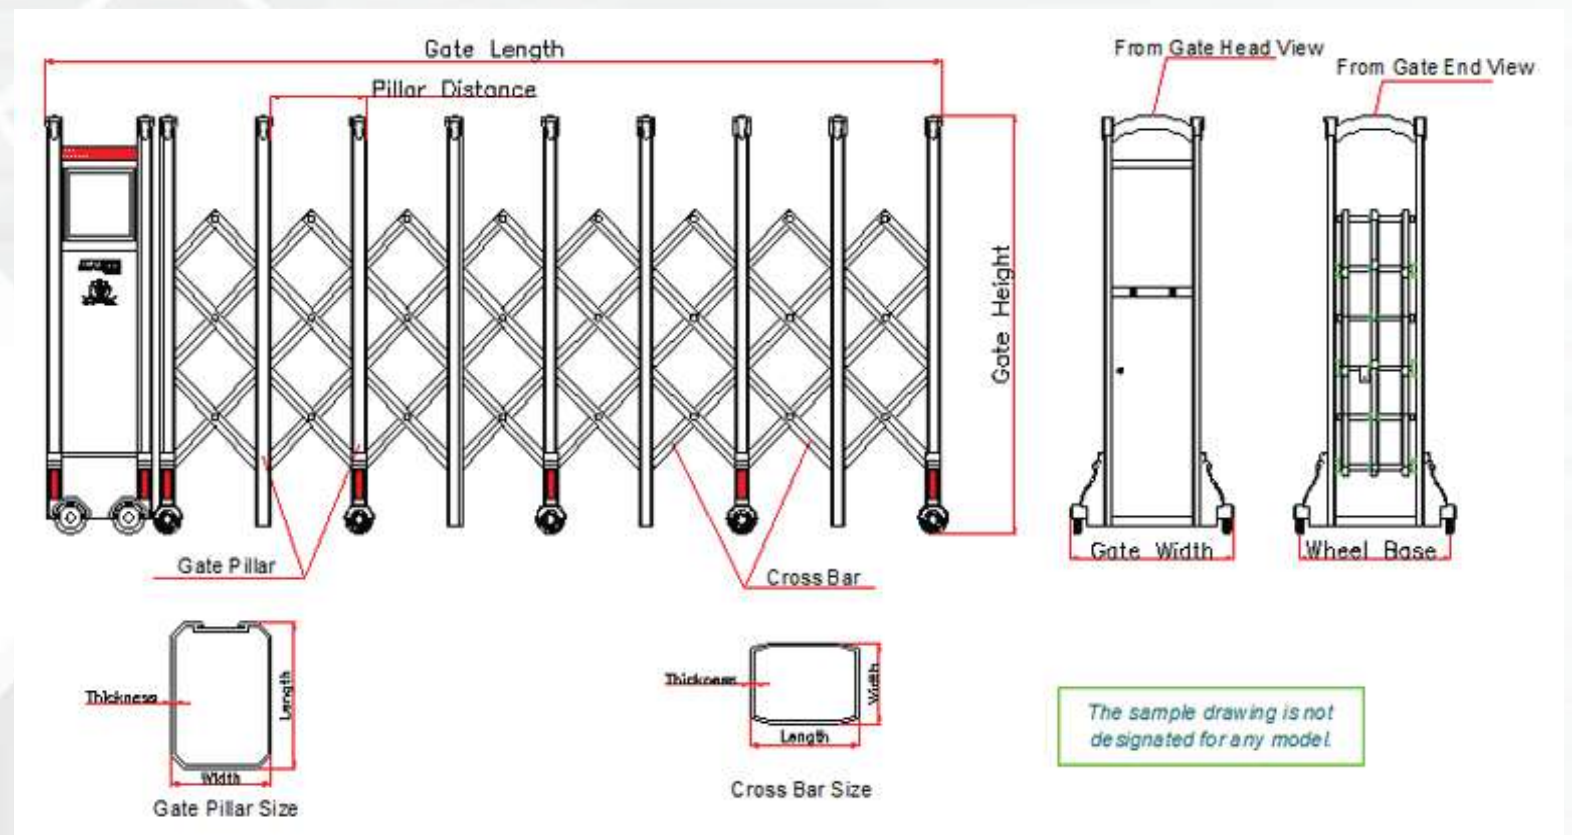

AUTOMATIC COLLAPSIBLE GATE SYSTEM

Motor

Remote

Aluminum Shutter

M/S Shutter

PVC Shutter

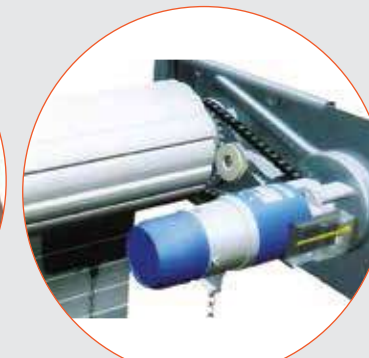

AUTOMATIC SHUTTER SYSTEM

Switch

Remote

Side Motor

Tube Motor

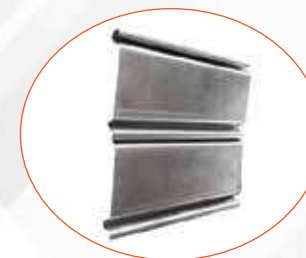

Center Motor

Aluminum Shutter

M/S Shutter

Grill Shutter

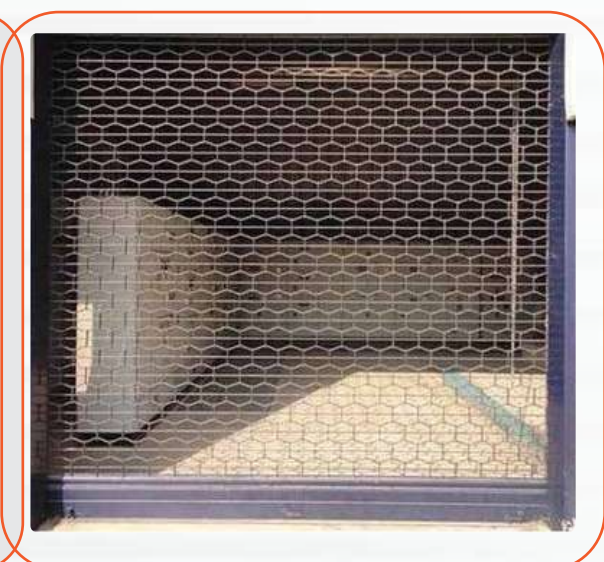

Fire Rated Shutter

Acrylic Shutter

Grill Shutter

Tyre Killer

Speed Breaker

Convex Mirror

AUTOMATIC PARKING BARRIER

Parking Barrier

Parking Lock

Parking Blocker

Hydraulic Road Blocker

TURNSTILE AND BARRIER SYSTEM

Full Height Turnstile Barrier

Automatic Tripod Barrier

Automatic Flap Barrier

Automatic Swing Barrier

Turnstile Tripod Barrier

- 

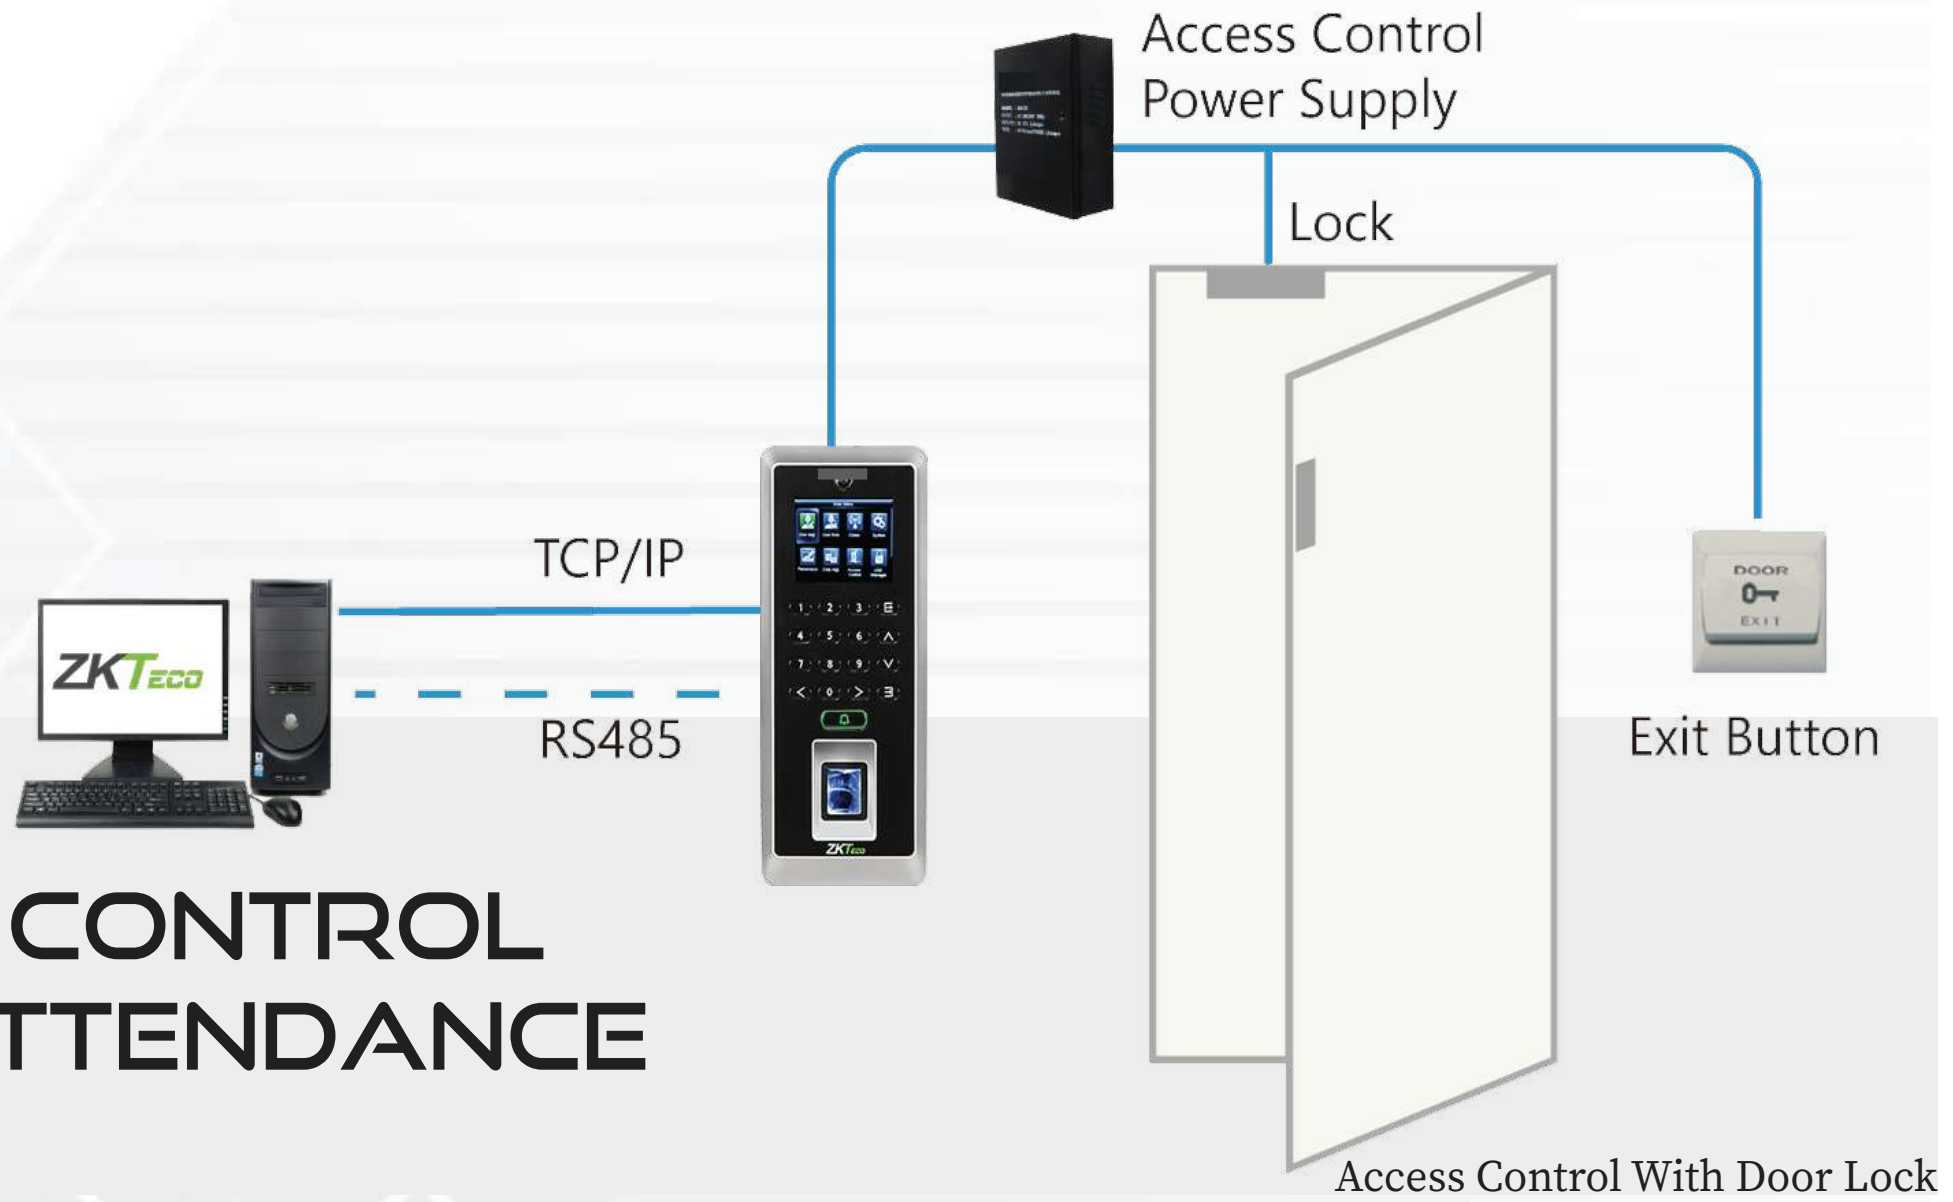

Unlock with Password
- 

Unlock with App
- 

Unlock with M1 Card
- 

Unlock with Mechanical key

ACCESS CONTROL & TIME ATTENDANCE

Smart Door Lock

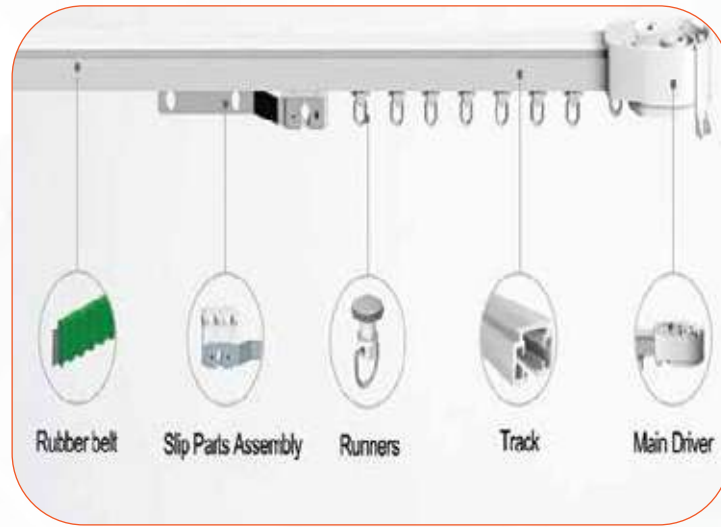

Card Access Control

Finger Print Access Control

Face Detection Access Control

Curtain Track

Automatic Curtain System

Automatic Roller Blind Curtain

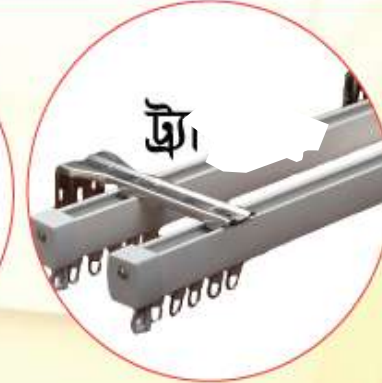

AUTOMATIC CURTAIN

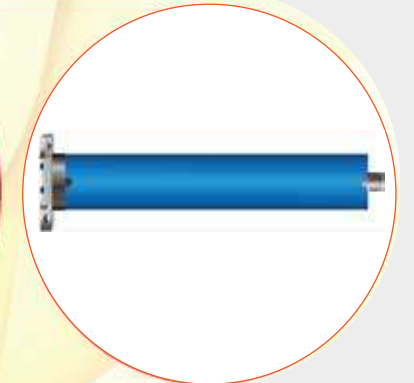

Remote

Apps Control

Curtain Track

Curtain Motor

Auditorium Stage Curtain

Stage Curtains

Inauguration Curtain

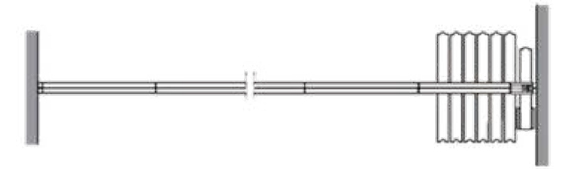

Glass Partition Wall- Movable/Folding

MOVABLE PARTITION WALL

Sound Proof Movable Partition Wall

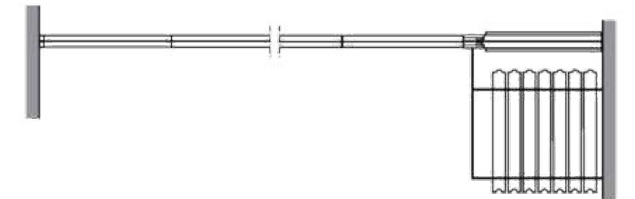

Suitable for mono-direction, stacking the panels to one side, or distribute to both sides

Suitable for multi-direction, panels can only be stacked to one side

Suitable for multi-direction, panels can only be stacked to one side

Suitable for multi-direction, where the storage room is away from the main track

Hydraulic Car Scissor Lift

HYDRAULIC SYSTEM

Hydraulic Wheelchair Lift

Electric Rope Hoist

Hydraulic Road Blocker

Hydraulic Scissor Lift

Hydraulic Scissor Lift Table

Hydraulic Automatic Dock Leveler

Loading-Unloading-Ramp

ARCHWAY GATE

Archway Gate Metal Detector with Alarm

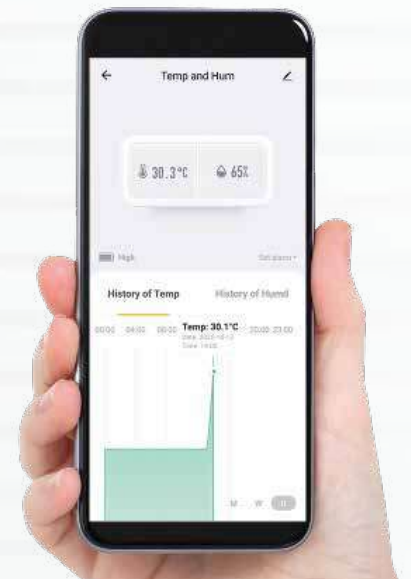

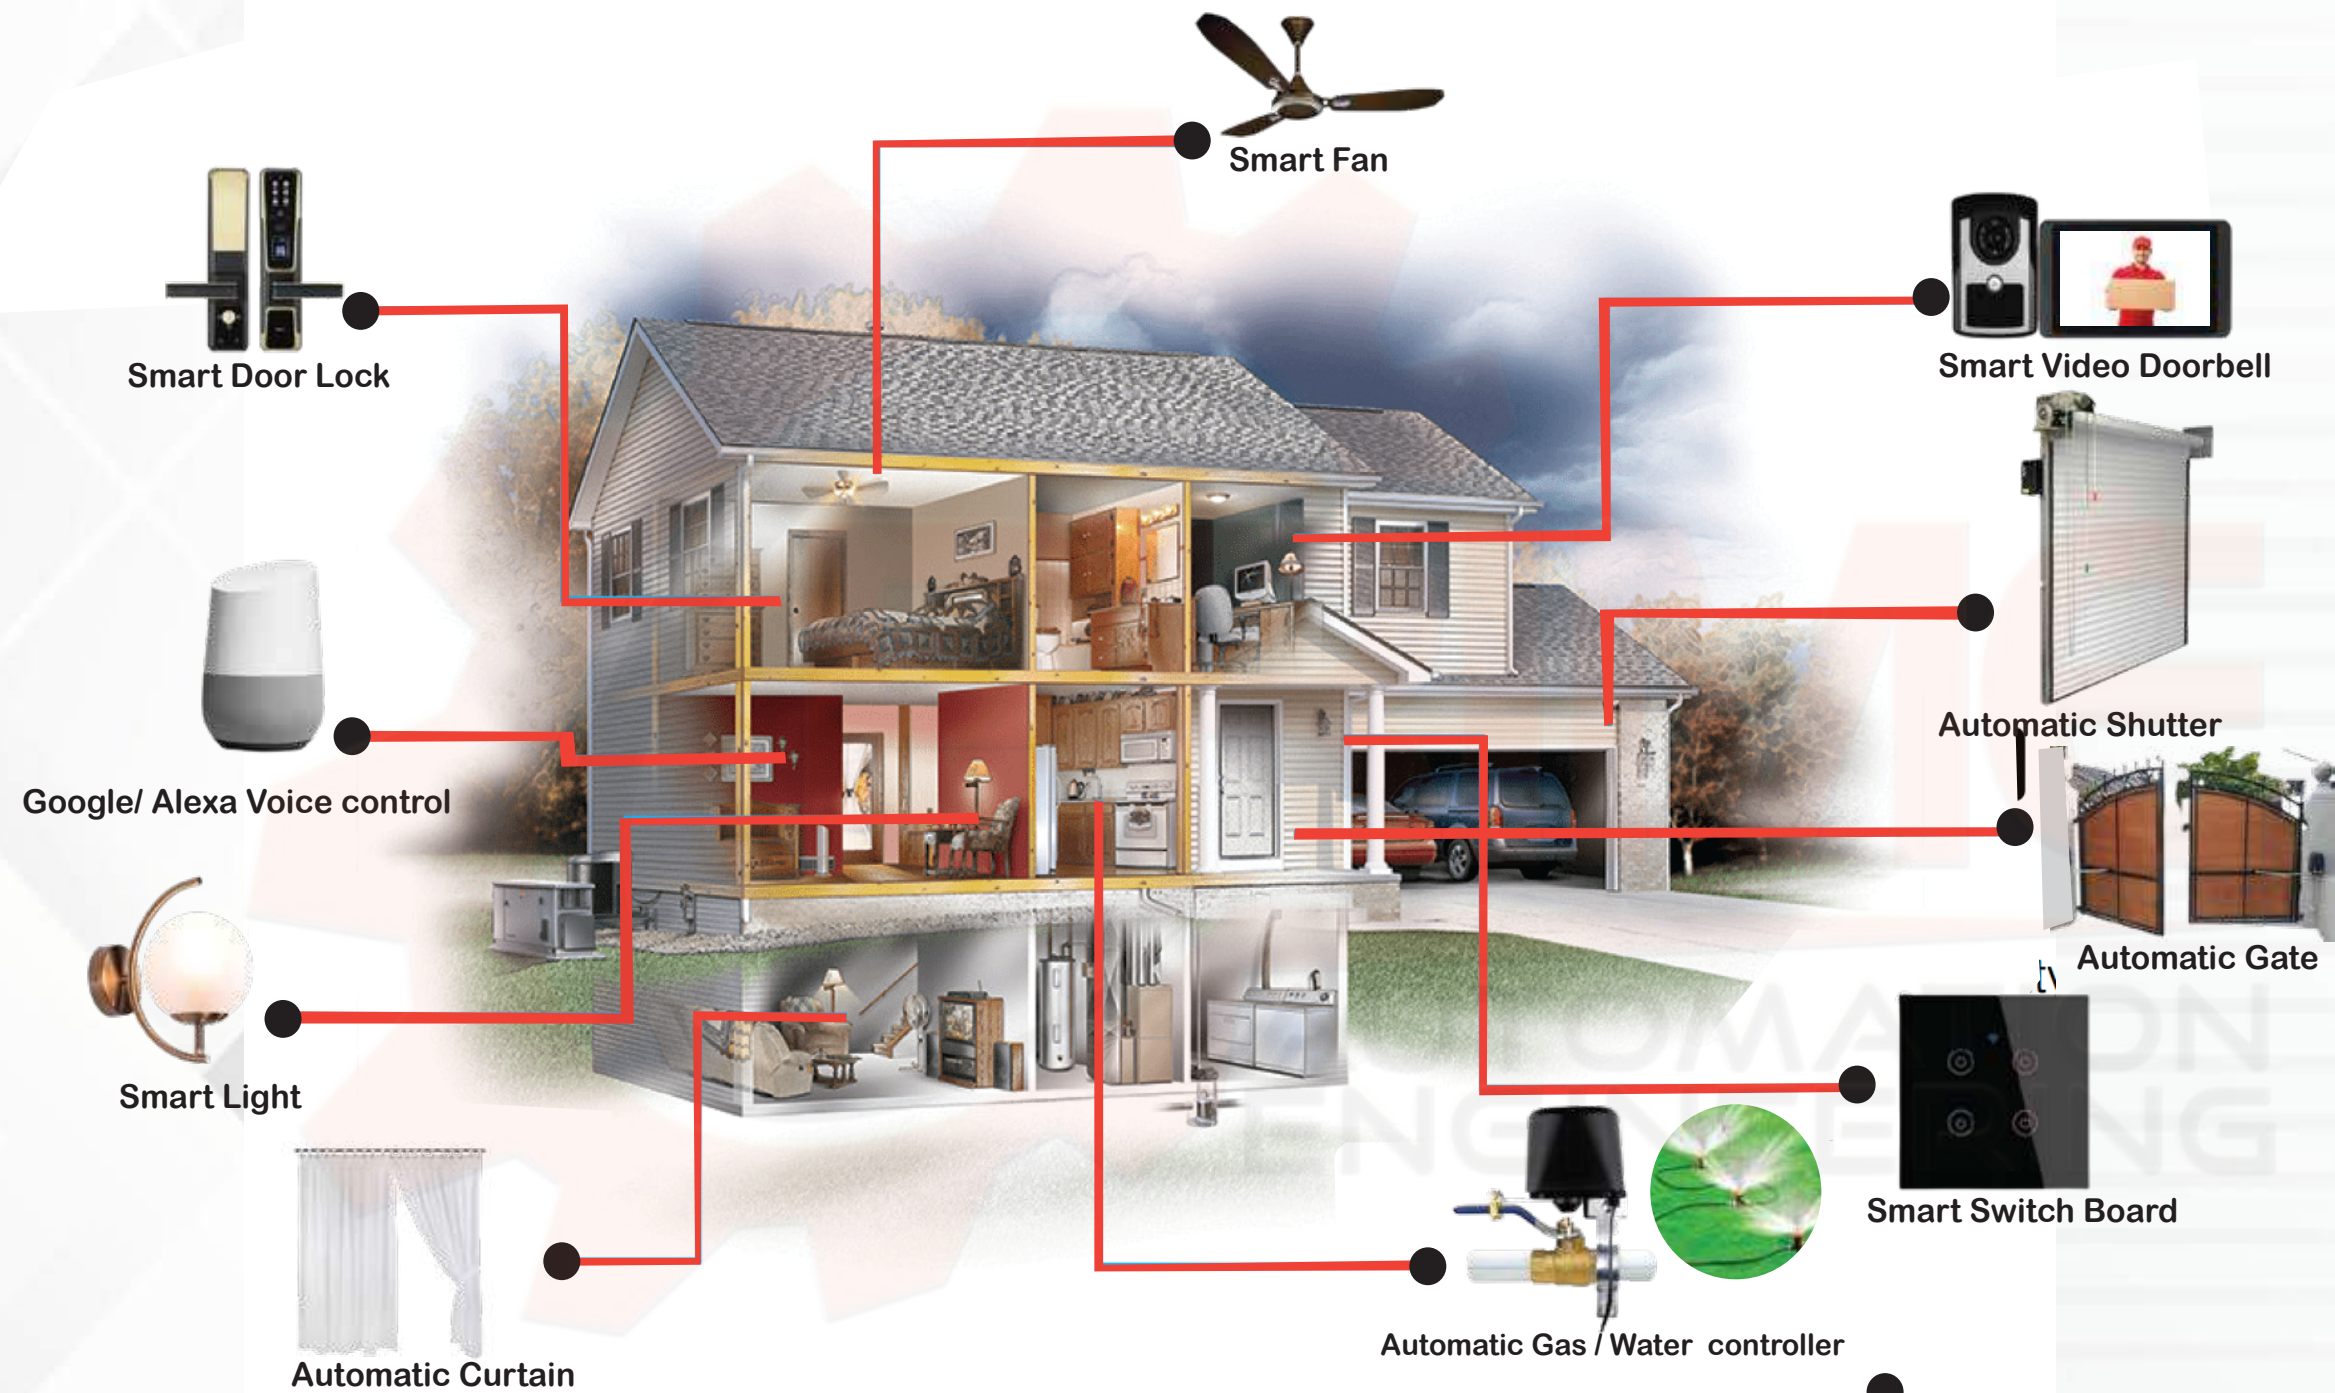

6-18 Zone-Walk-Through-Metal-Detector

PRIME AUTOMATION

All Type of Smart Home Automation Solution

All Type of Smart Home Automation Solution

Smart lighting management: dimmer, colour, effects, scenarios and timing.

BiDi-Switch
Unidirectional and bidirectional interface to manage lights and electrical loads with minimum power

BiDi-Dimmer
Unidirectional and bidirectional interface to control and dim the light.

Dimmer-Control
Universal module to regulate light intensity, compatible with a range of light sources.

On/Off-Control
Module for remote On/Off control of two circuits or appliances.

RGBW-Control
Light colour control module.

PIR Light Motion
Sensor 180 Degree Automatic Infrared Rotating Outdoor Timer Light

PIR Sensor 360 Degree
Ceiling Mounted

Total control of the home, maximum security and smart heating Management.

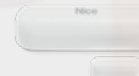

Flood-Control
Flooding and temperature sensor.

Smoke-Control
Smoke and temperature sensor.

CO-Control
Carbon monoxide and temperature detector.

Door/Window-Control
Door/window proximity and temperature sensor.

Heat-Control & Temp-Control
Therموvalve and sensor to regulate the temperature in the room.

Auto Curtain Opener - Closer Robot
Wireless Smart Curtain Motor
Timer Voice Control
Smart Home Automation Device for Curtain Track Rod Replacement for Google Assistant

Somfy Curtain Opener - Closer Robot
Easily transform your existing curtains into motorised ones

Radio control of awnings, blinds, rolling shutters, Venetian blinds, gates and garage doors.

BiDi-Shutter
Unidirectional and bidirectional multi-purpose interface for awnings, blinds, rolling shutters and Venetian blinds.

BiDi-Awning
Unidirectional and bidirectional interface for outdoor awnings.

Roll-Control
Module for controlling rolling shutters, sun awnings, Venetian blinds and rolling doors.

Bidi-ZWave
Plug-in communication interface for communicating between Z-Wave gateway and Nice motors for gates and garage doors.

Tube Motor
Suitable for tubes with 50mm diameter or larger

Outdoor radio
receiver with Modulis scroll functionality for connection to a standard motor allowing use via an RTS transmitter and RTS sensor.

Electric Curtain Track
Somfy Movelite 35 RTS
Easy installation
Up to 10m in length
Suitable for use in all bay windows

SUNIS WIREFREE RTS
autonomous radio sun sensor for awning, screen, evb and roller shutter

Management of electrical sockets, devices and radio controls.

Plug-Control
Smart socket for electrical devices with measurement of energy consumption.

Push-Control
Universal wireless button to activate up to six set scenarios.

Motion-Control
Multifunction wireless sensor with motion, temperature and light intensity functions.

Smart-Control
Small universal device, to make standard devices smart. temperature sensor.

Situlo Remote Controls

The new wireless wall-mounted RTS
Sensitive technology that interacts intuitively with all house openings.

Connexoon RTS Hub
your home WiFi network to allow you to control your Somfy RTS blinds and curtains from your phone

WiFi Smart Water/Gas Valve Automation Irrigation

Made in ITALY
Swing Gate Opener

SLIDING / SWING GATE OPERATOR

Up to 4000 KG

Sliding Gate Opener

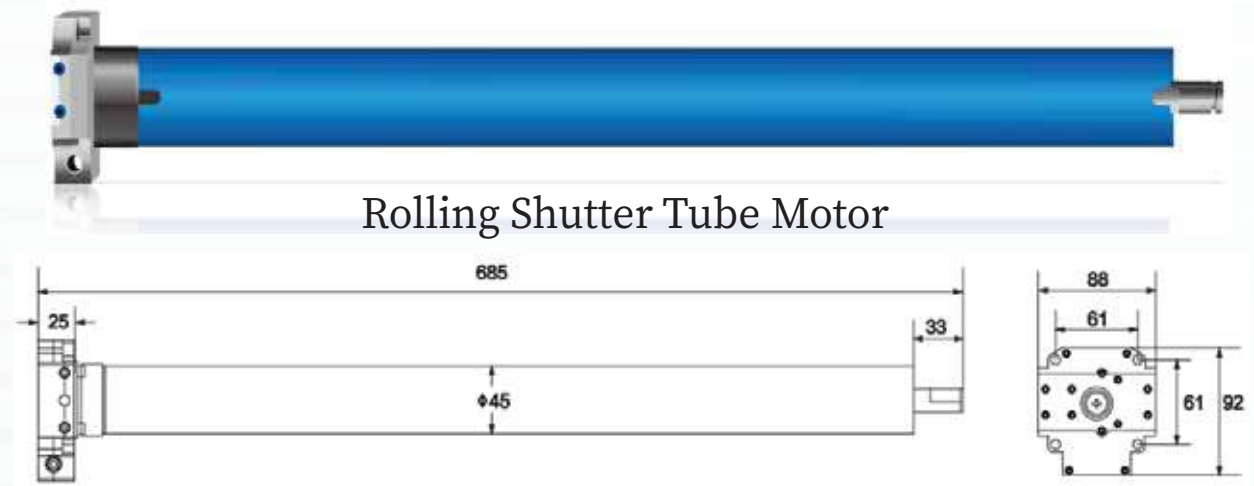

Made in China

Swing Gate Opener

Rolling Shutter Side Motor

Rolling Shutter Tube Motor

ROLLING SHUTTER MOTOR

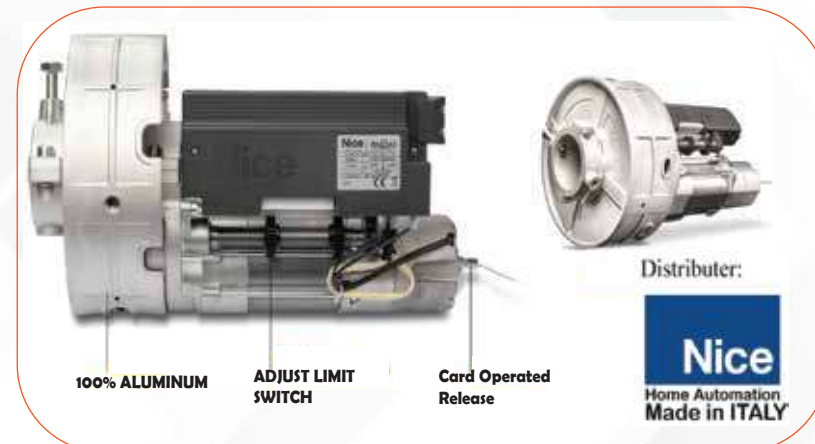

Up Down Switch

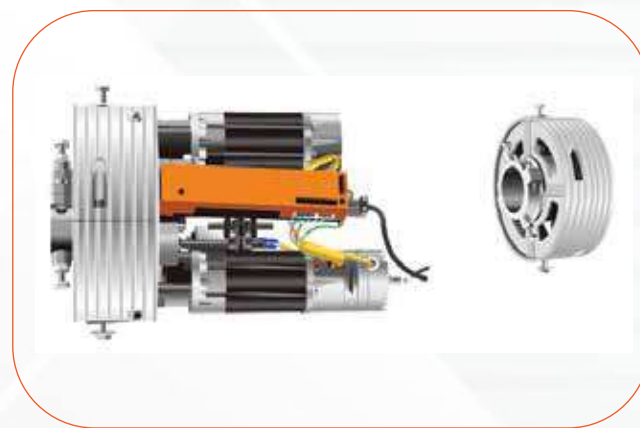

Remote Control

Rolling Shutter Side motor

Rolling Shutter Center Motor Nice

Rolling Shutter Center Motor

Rolling Shutter Tube Motor

Auto Door Safety
Beam Sensor

Safety Beam Sensor

Wifi Water/Gas Controller

ACCESSORIES

Universal Remote Control

Remote Control

3 Station Push Switch

Shutter Lock

Pvc Reflective Traffic Cone

Height: 70cm
Weight: 2kg
Base size: 35*35cm

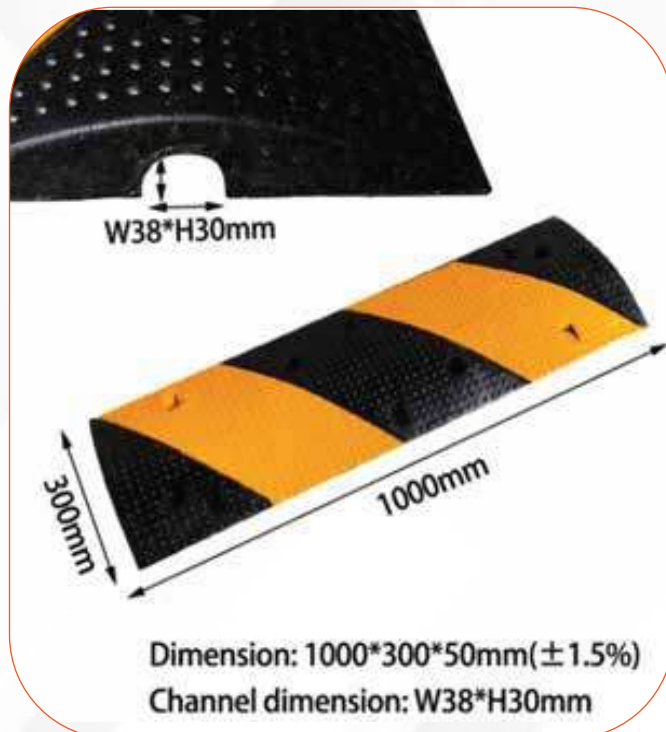

Rubber Wall Protector Corner Guard

Up to 4000 KG

PARKING MANAGMENT

Speed Breaker Rubber & Plastic
